City News Items

Mr. J. P. Richards returned on Monday from visiting relatives at Nalder.

Dr. Till, of Edmonton, was in the city and district this week, spending a few days with friends.

Mr. Duke, who has been laid off for some days, has resumed his position as clerk in Charles G. G. grocery store.

The many friends of Jas. Scott, the obliging freight agent, are pleased to see him about again after several days' illness.

Mr. and Mrs. H. W. Wright arrived in the city this week to visit at the home of the latter's parents, Mr. and Mrs. S. A. Cooper.

The many friends in the city of Mr. and Mrs. J. A. O'Malley, recent to hear of the death of his daughter, their 20 months old child on Sunday last.

Lyle Cameron, of Vancouver, arrived in the city last week to visit his wife and friends. He is a native of the Coast very much and will remain in a few days.

Jas. T. Farley, of Vancouver, arrived in the city on Monday evening to spend a few days at the home of Mr. and Mrs. Geo. D. Wallace, and renew acquaintances.

An extraordinary meeting of the shareholders of the Western Canadian Store, Limited, will be held in the city on Tuesday next to consider the advisability of discontinuing the system of retailing.

The auxiliary of Emmanuel church will hold a lawn social at the residence of Mrs. G. H. H. on Friday evening of this week, commencing at 7 o'clock. Ice cream and refreshments will be served during the evening. All cordially invited to attend.

Miss Hazel Anderson, who left here a couple of years ago to study music in the United States, and who for the past year has been a teacher in New York City, arrived in the city on Tuesday evening to spend a few days at the home of her parents.

Miss Annie M. Rowe, matron of the Prince Edward Island Hospital, spent last Friday in Wetaskiwin, visiting her mother, Mrs. J. H. Rowe.

Mr. and Mrs. J. H. Rowe, of Edmonton and George H. Rowe, of Calgary, are spending two months' vacation in Alberta.

The ladies of the Methodist church will hold a lawn social at the home of Mrs. McKenney (R. W. Gibbs' residence) corner of Thoms and Davies streets on Tuesday evening next, June 27th. The Wetaskiwin band will furnish music for the occasion. Strawberries, ice cream, etc., will be served. Come and have a good time.

The fire brigade were called out Saturday by an alarm from the D. & K. elevator. The cause of the alarm being an over-heated pulley. No damage was done. Had it been serious, much valuable time would have been lost by the brigade being held up at the C.P.R. crossing by a train load of gravel cars pulling across just ahead of the apparatus.

O. S. Honeywell, of Centralia, Wash. and J. R. Harshy, of Spokane, Wash., arrived in the city Monday evening, to look after the large investments they have in this district. They both express themselves as greatly surprised at the rapid development being made in the community and in all likelihood they will purchase more of Alberta's best real estate before they leave the city.

Scott Bros. are making rapid progress with the laying of cement walks which they have under contract. The work on the walk from the Canadian Bank of Commerce to the Wetaskiwin Produce Co. corner has been completed, and the cement is now being laid in front of the Prince of Wales Hotel. The material is now on the ground for the walk on Pearce street from Wallace's corner to Knight's corner.

A meeting of the executive of the Central Alberta baseball league was held at the Prince of Wales hotel on Friday evening last, with P. A. Alderton, of Wetaskiwin, president, Dr. Chinnock, Donaka, secretary, Mr. Allan Red Deer, and Mr. Smith, of Alix, present. After considerable discussion it was decided to permit Lacrosse to drop out of the league and to admit a team from Alix. A new schedule is to be drafted, and the first game under the new arrangement is to be played next week.

In a day or two the citizens of the Elevator City will be all officially enumerated as nearly as possible. After a fortnight's tedious counting the enumerator, J. C. McKay, has covered the area of the city, and the work is practically complete. As all the enumerators are sworn to secrecy, it is impossible to ascertain what results have been obtained, and the population figures will therefore remain unknown for some weeks yet. While few places in the Dominion appear to have found the work to proceed without more or less serious trouble, the enumeration in this city has been carried out without a hitch in so many instances Mr. McKay met with objection on the part of the interviewers and the people all showed a ready willingness to answer the questions.

AT 2 O'CLOCK

BOY SCOUTS

An enthusiastic meeting was held in the Presbyterian church last Thursday evening, at which a local Boy Scouts' Association was formed. Mayor Fowler occupied the chair.

Rev. C. T. Holman spoke on the aims and organization of the movement. The following officers were elected:

Pres.—Mayor Fowler.
Vice-Presidents—J. J. Montgomery and Rev. A. R. Aldridge.
Chairman, Mr. Knox.
Vice-Chairman—Mr. E. I. Millar.
Secretary—Mr. H. E. Outler.
Treasurer—Mr. J. F. Ellis.

The members of the association appointed have, Dr. Conrad McGowan, Holman, Messrs. Millen, Staples, Drs. Stevenson, Nordbye and others. Other names will be added later. This association will supervise the district, and register all troops organized. Another meeting will be called in the near future when it is hoped that the Provincial Commissioner may be present, and plans for further developing the work will be made.

FIRST BAPTIST CHURCH BAPTIST CHURCH

At a meeting of the Baptist Sunday school held recently, it was decided to re-organize the school and thus have it conform more nearly to the best that has been developed in advanced Sunday school methods. To this end the classes are being carefully graded, after the manner of the day school. With the beginning of the new quarter, July 2nd, the international graded lessons will be substituted for those in present use. This will be a great advance for the old uniform lessons have not during the past six months proved very interesting to the younger members of the school.

Next Sunday instead of the review of the year, the subject of the review will be the "Gospel of the Kingdom." This program will be of special denominational interest and will be open to the public.

The Baptist Bible School has been steadily growing in numbers until the highest mark in point of attendance for the year was reached last Sunday. The school will continue its sessions throughout the summer, the meetings being held somewhat earlier during July and August than at present.

The pastor will occupy the pulpit at both services next Sunday.

Mrs. C. T. Holman, Mrs. H. E. Outler, Miss G. Carlson and the Pastor were last Sunday appointed delegates to the Alberta Baptist Convention in Calgary.

WETASKIWIN WON FROM RED DEER

One of the fastest and snappiest games of ball ever played on the diamond was witnessed Friday evening by a fair crowd. The opponents were the formidable Red Deer team, leaders in the Central Alberta League, and up to last night had proven themselves to be invincible. The local team was strengthened considerably by several of the old-time players getting back in the uniform, and defeated the visitors by a score of 7-1. Washburn, the twirler for the visitors was in the pink of condition and allowed only six underhand hits, while Wetaskiwin pitcher was generous enough to allow a couple of walks, although he had good control all the time. Murray, in his batting eye with him, and got a three-bagger, a single and what should have been a double, but in his anxiety to get third was unable to beat the ball out. Red Deer had seven left on bases, while Wetaskiwin had six. The game was most gentlemanly throughout, and there was no dispute of any kind arising. This was due in part at least to the excellent umpiring of Bill Donnelly, who did not have a decision questioned. The line up was as follows:

Wetaskiwin	A.B.R.H.P.O.A.E.
Murray s.s.	5 2 7 0 0 0

AT DEATH'S DOOR FROM KIDNEY DISEASE

SAVED ONLY BY "FRUIT-A-LIVES"

CLARENCE, ONT.
"Two years ago, the doctor made forty-four calls on me, and then said he had done all he could for me. I was suffering with intense Kidney Trouble and inflammation had set in. Two other doctors were consulted and agreed that nothing could be done to help me. On the recommendation of a neighbor, I took 'Fruit-a-lives' and they cured me. Today, I take 'Fruit-a-lives' as my only medicine. I am in excellent health, and 'Fruit-a-lives' is the medicine that cured me after I had been at Death's Door for months. I am glad to be able to give you this testimonial. I may benefit some other woman suffering as I suffered, as I believe that I would not be alive today had I not used 'Fruit-a-lives'."

Mrs. J. E. WEBBER.
"Fruit-a-lives"—by its marvellous action on the kidneys—completely restores these vital organs to their normal strength and vigor—and cures every trace of Kidney Trouble. "Fruit-a-lives" is the only medicine in the world made of fruit.
50c. a box, 6 for \$2.50, trial size, 25c. At dealers, or from Fruit-a-lives Limited, Ottawa.

PRICELESS GEMS AT CORONATION

"The grandeur of the whole thing is unimagined, reminding us of the stories on one's childhood and the jewels massed in heaps waiting the first-come on the floor of Aladdin's cave." It is thus that one who has been privileged to make a close inspection of the late King Edward's crown describes that important item in the Crown Jewels; and some idea of the magnificence of the crown which will be worn by King George at the forthcoming Coronation may be gathered from the fact that to the 2,818 diamonds, 277 pearls, besides many other jewels which formed King Edward's crown, will be added two sapphires, fifty-six brilliants, and fifty-two rose diamonds.

The design of King George's crown will be practically the same as that of King Edward, which in turn was a replica of the crown worn by Queen Victoria at her Coronation in 1838. The Royal crown, however, are made for each Coronation. This is necessary, of course, on account of the difference in the sizes of the heads of the respective monarchs. King Edward's crown, from temple to temple was 7 1/2 inches and from the forehead to the back of the head 6 1/2 inches; the height being 9 1/2 inches. King George's head is slightly smaller, and in addition he has desired that a place be found for a portion of the great Cullinan diamond, called the command of His Majesty, "The Star of Africa." The larger portion of the diamond will be added to the sceptre which King George holds during the Coronation ceremony.

According to the "Times," it is probable that the smaller portion of the Cullinan diamond will take the place of the great Prince Regent sapphire, immediately beneath the black Prince ruby, the great equestrian jewel which was worn in his helmet by the Black Prince at many battles, including Crecy and Poitiers, the great sapphire being transferred to the back of the crown.

It might be mentioned that when the Cullinan diamond, which, before cutting was no less than 31 pounds in weight, was cut into two portions, a great number of smaller diamonds were made from its "shavings," which were set in various designs for the use of Queen Alexandra.

The King's crown is simply one gorgeous mass of jewels, and so close is set that it is almost impossible to see anything of the frame or gold setting. The base of the crown, two inches in depth, is formed of a bank of large round pearls and various jewels. Above are four great arches, which spring from the post-riumphal base and surmount the purple-velvet cap. These arches are simply masses of splendid diamonds, which give the impression of being thrown on in great heaps. Then comes the orb, which supports the St. Andrew's cross, and is composed of immense single-stone diamonds of the finest water.

Perhaps two of the most interesting jewels of the King's crown are Queen Elizabeth's earrings, two pear-shaped pearls which are brought out from among the diamond Crown Jewels by special command of King Edward to adorn the crown at his Coronation. Exactly as worn by the Virgin Queen at her Coronation in 1533, these jewels were, by King Edward's order left untouched and fastened high on each side of the crown and directly under the orb.

In the case of Queen Alexandra's crown, this was composed entirely of diamonds, not a single color stone finding its way into the design. It is possible that Queen Mary will follow the same plan. Many diamonds privately owned by Queen Alexandra were momentarily removed from their

settings and inserted in the crown. A few of the Crown diamonds, including the Koh-i-noor were brought into requisition, and the Crown Jewellers temporarily supplied the deficiency. Immediately after the Coronation, Queen Alexandra's crown was taken to pieces; the Koh-i-noor was again free to be set in a brooch or pendant for Queen Alexandra to wear, whilst her own diamonds were reset in their previous forms.

Now is the time to get rid of your rheumatism. You will find Chamberlain's Liniment wonderfully effective. One application will convince you of its merits. Try it. For sale by druggists everywhere.

AN ENGLISH CHEMIST HAS DISCOVERED HOW TO GROW HAIR

In England the ladies have entirely abandoned wearing hats, which is due entirely to this new discovery. It has been proven that Henna leaves contain the ingredients that will positively grow hair. That they contain this long-looked for article is proven every day.

The Americans are now placing on the market a preparation containing the extract from Henna leaves, which is having a phenomenal sale. This preparation is called 'Salvin,' and is sold with a guarantee to cure dandruff and to grow hair in abundance. Being daily performed Salvin makes a most pleasant hair dressing. H. L. Higgs, your druggist, is the first to import this preparation into Wetaskiwin and a large generous bottle can be purchased for 50c.

YOU TAKE NO RISK

Our Reputation and Money is Back of This Offer

We pay for all the medicine used during the trial, if our remedy fails to completely relieve you of constipation. We take all the risk. You are not obliged to us in any way whatever, if you accept our offer. Could anything be more fair for you? As there may reason why you should hesitate to put our claims on a practical test?

The most scientific, common-sense treatment is Resall. Constipation, which are eaten like candy. They are very pronounced, gentle and pleasant in action, and particularly agreeable in every way. They do not cause flatulency, nausea, distention, griping, or any inconvenience whatever. Resall is especially recommended for children, aged and delicate persons.

We urge you to try Resall. Order Resall at your druggist. Two sizes, 10c and 25c. Remember you can get Resall. Order Resall in the country only at our Store—The Resall Store, H.L. Higgs.

THE MORMON DANGER

Canada is waking up to the importance of her Mormon problem. The latest evidence of this is that the moral and political dangers attendant on the spread of Mormonism in Canada were dealt with at considerable length by the Presbyterian General Assembly in its sessions at Ottawa a few days ago. Dr. McLaren, of Vancouver, in presenting the report of the committee appointed to consider the question, declared that Mormonism, with its abominable immorality and the political distortion of its arbitrary leaders, constituted a serious menace to the whole country. Unless the present apathy were checked by State and Church co-operation the Mormons of Alberta might wield a baneful balance of political power in that Province, as they did now in Utah.

In the series of articles, by Miss Nan Moulton, now running in The Canadian Courier, Toronto, the Mormon question is dealt with fully and interestingly. Miss Moulton's second article, which was published recently showed that the Mormons make a business of religion. They apparently hope that some day they will be strong enough to have special rights given them by the state, and chief among them will be the right to practice polygamy. Miss Moulton's third article will deal with polygamy, and it will be the most scintillating article on that subject that has ever appeared in a Canadian publication.

Was Terribly Afflicted With Lame Back.

Could Not Sweep The Floor.

It is hard to do house work with a weak and aching back. Backache comes from sick kidneys, and what a lot of trouble sick kidneys cause, but they can't help it. If more work is put on them than they can stand it is not to be wondered that they get out of

Don's Kidney Pills are a specific for lame, weak or aching backs and for all kidney trouble.

Mrs. Napoleon Lamour Smith's Fall, Ont., writes: "I feel pleasure in writing you stating the benefit I have received by using Don's Kidney Pills. About a year ago I was terribly afflicted with lame back, and was so bad I could not even sweep my own floor. I was advised to try Don's Kidney Pills, which I did, and with the greatest benefit. I only used four boxes and I am well and I can highly recommend these pills to any sufferer from lame back and kidney trouble."

Don's Kidney Pills are 50 cents per box or \$1.25 for three boxes. All dealers or mail order direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont. When ordering direct specify "Don's."

NOTICE TO CREDITORS

IN THE MATTER OF THE ES
TATE OF MATTHEW EVANSON
O'Brien late of the City of Wetaskiwin,
in the Province of Alberta,
Barrister, Etc., Deceased.

NOTICE IS HEREBY GIVEN that
all persons having any claim or de
mands against the late Matthew Evan
son O'Brien, who died on or about
the 4th day of May, A. D. 1911, at
Wetaskiwin, in the said province, are
required on or before the 17th day of
July, A. D. 1911, to send by post
prepaid to Edward H. O'Brien, at
Wetaskiwin, in the Province of Alberta,
Executor of the said Deceased, or to
deliver to the undersigned Solicitors for
the said Executor their names and ad
dresses and full particulars of their
claims in writing and a statement of
their accounts and the nature of the
securities (if any) held by them and
such statement shall be verified by
Statutory Declaration of the Claim
ant or be rejected.

AND TAKE NOTICE that after
the 17th day of July, A. D. 1911, the
said Executor will proceed to dis
tribute the assets of the said Deceased
among the persons entitled there
to, having regard only to the claims
of which he shall then have notice,
and that the said Executor will not
be liable for the said assets or any
part thereof to any person of whose
claim he shall not then have received
notice.

Dated at Wetaskiwin, in the Province
of Alberta this 25th day of May, A. D. 1911.

BOILS AND PIMPLES
Are caused altogether by bad blood,
and unless you cleanse the blood, the
boils or pimples will not dis
appear.
Get pure blood and keep it pure by
removing every trace of impure blood
matter from the system by using the
greatest known blood medicine.
BURDOCK BLOOD BITTERS.
Boils Cured.
Mr. A. J. Sautner, Norwood, N.S.,
writes: "Two years ago I was troubled
with boils on my neck and back, and
could not get rid of them. A friend
recommended me to try Burdock Blood
Bitters, and after using two bottles I
was pleased to note the boils were en
tirely gone, and I have not been troubled
with any since."

Mrs. Eva A. Skinner, Granby, Que.,
writes:—"I am pleased to recommend
Burdock Blood Bitters to all who have
much good. My face was covered with
pimples, and being advised by a friend
to try Burdock Blood Bitters and have
them removed I did so and I now have
a clear skin on my face."

Burdock Blood Bitters is manufactured
only by The T. Millburn Co., Limited,
Toronto, Ont.

Sickness is usually
caused by the accu
mulation of waste
matter and impurities
within the body.

Dr. Morse's
Indian
Root Pills,
enable the bowels, the
kidneys, the lungs and
the pores of the skin
to throw off these
impurities. Thus they
prevent or cure dis
ease. 25c. a box.

A wave of optimism is sweeping over
the Prairie Provinces from Winnipeg
to the Rockies. It is extending
ever to the eastern provinces, where
prospects of western property are
always heralded with satisfaction on
account of the good effect on busi
ness throughout the Dominion. The
buoyant feeling is due to the most
encouraging crop reports that are com
ing in from sections of the West,
reports that tell of growing conditions
that have seldom been better in the
grain growing history of the country.

UNRESERVED
Auction Sale
Of Stock and Implements
The undersigned auctioneer has re
ceived instructions from J. A. Be
lie to sell by public auction on See,

tained: Tilda Olson 82, Hilda Hel
gren 72, William Tims 71, Victoria
Hedlund 68, Judith Olson 66, Rhoda
Ringwald 65, Emma Tims 63, Rhea
Bolsate 62, Swim Save 62, Signe
Danielson 49.
A. W. Johnston,
Teacher.

PROSPECTS TO OPEN NORTH
COUNTRY
R. Michener, M.P.P. for Red Deer,
has returned from a trip to Van
couver. While in that city Mr. Mich
ener secured a loan for investment of
\$200,000.00 to invest in railroads to
open the north country and the plan
is to build a railway from Vancou
ver up and cross the Peace River
country to Fort McMurray.
This \$200,000.00 is capital that was
formerly invested in Russia, but has
been loaned for investment in
Canada. The promoters of the north
line are now making for a guarantee
of the interest on the money twenty
five years at four per cent.
"This gentleman told me," said
Mr. Michener, "that there was more
capital obtained after the \$200,000.00
had been invested. The aim is to
build there, and then develop the re
sources."

Monday afternoon at 5:30 the first
G.T.P. local pulled out of the C.N.R.
depot for Toleda and Mirror. The
train was reached at 10:30 p.m. Return
ing leaves Mirror at 7:30 Tuesday morn
ing, arriving in Edmonton at 12:20
noon. This train is to be a daily
one both ways.—Bulletin.

Calgary, June 3.—Unusual optim
ism was found at every point touch
ed by the special train chartered by
the business men of Winnipeg to carry 120
of them over the Canadian West to
see for themselves what the outlook
after the spring sowing was like. At
points where conditions were ex
cellent—buildings going up and busi
ness increasing—the supercharged op
timists gave vent to their feelings by
prophesying a crop this year of 300,
000,000 bushels. Middle West men
have advanced beyond the stage when
bright or dismal prospects send their
hopes or fears to schemes. On the
train, opinions differed. Hundreds
of whom there were many on the train,
leaned to the opinion that the yield
would not reach 200,000,000, allowing
for an average share of set-backs that
usually intervene between seeding and
harvest time. Real estate men leaned
to the opinion that the last named
mark would be passed and modest
bets were made both ways.

Nearly half a hundred hundred
entries were made at the Dominion
Exhibition held here yesterday. Most
of the homesteaders are going in around
St. Paul de metis, Athabasca Landing
and the country west of Peace River,
and some are taking up
land west of Wetaskiwin and Leduc
along the projected line of the Cana
dian Northern Railway.—Bulletin.

It is good for your shoes.

MEETING CREEK

The angel of death visited this community on Saturday evening last and removed one of our most popular young men in the person of Albin Tellman, son of Mr. and Mrs. M. M. Tellman. Deceased was aged 21 years, 1 month and 5 days and had been a resident here for the past seven or eight years. He had been ailing for some time with a complication of diseases, but heart failure was the direct cause of his demise. The funeral took place on Tuesday, interment being in the Meeting Creek cemetery. A large number of relatives and friends were present to pay their last respects to the departed.

Miss Florence Kelley is spending a few days with Miss Inez Olum at Meeting Creek.

Two electric gongs are the latest innovation at the C.P.R. station here. These gongs were installed a few days ago, one at each end of the depot, and are used for sounding the "all aboard" alarm.

NOTICE TO CREDITORS

IN THE MATTER OF THE ESTATE OF AUGUST PETERSON, Deceased, late of the Post-office of Wetaskiwin, in the Province of Alberta, Gentlemen.

NOTICE IS HEREBY GIVEN that all persons having any claim or demands against the late August Peterson, who died on or about the 30th day of April, 1910, at Gibbon in the State of Minnesota, are required on or before the 8th day of August, A. D. 1911, to send by post prepaid, to Anthony S. Rosenroll, of the Post-office of Wetaskiwin, in the Province of Alberta, Administrator of the Estate of the said August Peterson, or to deliver to the undersigned Solicitor for the said Anthony S. Rosenroll, their names and addresses and full particulars of their claims in writing and a statement of their accounts and nature of the securities, if any held by them, and such statements shall be verified by Statutory Declaration of the claimant or his agent.

AND TAKE NOTICE that after the 8th day of August, A. D. 1911, the said Anthony S. Rosenroll will proceed to distribute the assets of the said deceased among the persons entitled thereto, having regard only to the claims of which he shall then have had notice, and that the said Anthony S. Rosenroll will not be liable for the satisfaction of any claims thereafter to any person of whose claim, he shall not then have received notice.

DATED AT Wetaskiwin, in Alberta, this 19th day of June, A. D. 1911.

APPROXIMATELY 2,000,000 ACRES UNDER CULTIVATION

Crop reports which have just been completed by the inspectors of the provincial department of agriculture indicate that the total area of land under cultivation this year, and seed to wheat, oats and other cereal crops, is no less than 1,900,000 acres, representing an increase of 70 per cent. as compared with last year's total of 1,193,261 acres. The increase for 1911 is approximately 700,000 acres. The figures are as yet but approximate and it is possible that the crop area may be considerably larger even than the reports indicate. The department has had in the field 1,000 men who have now completed their returns from the various portions of the province, and the statistics which were received from George Harcourt, deputy minister of agriculture this morning, show the above total. At noon today the analysis of the figures had not been completed, and it was not possible to determine the relative areas sown to the various crops, but the reports are almost uniformly excellent and make it clear that not in the history of the Canadian North-west has so remarkable an increase taken place in a period of twelve months. In one or two isolated cases, districts which were very circumvented in extent, have failed to benefit from the almost universal rains, but these are very few, and taking the province as a whole there has been no former year during which the outlook has been so bright. The increase in crop area is but a very meagre indication of the increase which is likely to be seen in the yield in cereal and other crops.

DON'T MISS THIS OFFER

The Times has made arrangements by which our readers can secure most beautiful Coronation portraits of their majesties King George and Queen Mary. They are by the celebrated "Laugier," of London, and copyrighted. The Family Herald and Weekly Star of Montreal have secured the Canadian rights, and are now offering these portraits free of charge to all who subscribe to that great weekly for the balance of 1911 at 50c. We will include The Times with The Family Herald and Weekly Star for the same period for only 75 cents and each subscriber will receive the Coronation pictures. The two portraits are on the one sheet, size about 18 x 15 inches is a most convenient size for framing. They are acknowledged by competent judges to be the best portraits of their majesties in existence and will become historical, growing in value year after year.

The small sum of 75 cents will bring you both papers until January 1st, 1912 and the Coronation portraits. The latter alone could not be bought for the price. 14-2t

City News Items

Jas. E. O'Connell has commenced the erection of a fine home in the southern portion of the city, which will be rushed to completion as quickly as possible.
Dr. Dixon and Dr. Hoare and the Messrs. Williamson, who left on the 8th inst. for the Duck Lake district, returned home on Friday evening. If you want any information about the west country, just ask them.
W. H. Odell, of London, Ont., arrived in the city this week to spend a few days at the home of his son W. H. Odell, Jr. and Mrs. Odell, also entertained as guests David Gilmore and Robt. Sutherland, of West London, Ont., but these gentlemen left on Tuesday.
The prize list for the fair to be held here on Sept. 27th and 28th, is now in the hands of the printers and it is expected that it will be issued next week. Several classes have been added to last year's list, and there is every indication that the fair this year will outdistill that of last year, which was the banner year in the history of the agricultural society. Be sure and get a prize list, and become a competitor in as many events as you can.

For particulars apply to Robert Osheter, Bitter Lake, Alta. 14-4th

Mrs. D. A. Sharpe left on Tuesday to spend a few days with her son Harold, near Hardisty.

Colorado Springs, June 5.—Five famous agricultural educators have signed a call for all those engaged at work in agricultural schools and experiment stations, for the purpose of discussing "dry farming." Those making the call are: Liberty H. Bailey, director of agriculture at Cornell university college; Dr. Chas. A. Lory, president of Colorado agricultural college; John A. Widstoe, president of Utah agricultural college; and E. C. Hanson, director of agriculture for Alberta, Canada. The conference is called for October 16 to 20 in this city, at the time of the meeting of the International Dry-Farming Congress and Exposition to be held here. Leading agricultural scientists will be gathered here at that time for the congress and the great exposition of dry-farmed products will afford opportunity for study and comparative work.
"Dry Farming" is the term now commonly applied to agriculture in regions where the annual rainfall is less than 20 inches, and this is the first recognition of it by agricultural schools as a national question. It is called to national, provincial and state agricultural departments and schools throughout the world, where agriculture is taught.
